Police in Amity Township issued 43 speeding tickets during an enforcement detail Tuesday on Route 422, officials said.

The detail was conducted from 10:30 a.m. to 2:30 p.m. in the 1000 block of East Benjamin Franklin Highway, which is also Route 422.

Five other tickets were issued to motorists for other vehicle code violations.

The top speed recorded during the crackdown was 76 mph, according to police, who said the posted speed limit on that stretch of highway is 45 mph.

Township police were assisted by state police. The effort was part of the Pennsylvania Aggressive Driving Enforcement and Education Program.
